

MA CHRISTIAN MINISTRIES (MCM)

MCM 690 MACM Practicum - 3 Units

Engages students in a supervised practicum designed to foster ministerial identity and vocational formation through guided field experience. The course integrates mentored ministry practice, theological reflection, and reflective writing within an approved ministry context.

MCM 809 MACM Project Proposal - 0 Units

Guides students through the development of a proposal for the Master of Arts in Christian Ministries graduating project requirement. Students prepare a proposal for either an integrative research paper or an applied project, demonstrating focused topic selection, appropriate methodology, and alignment with program learning outcomes in preparation for MCM 810.

MCM 810 MACM Graduating Project - 3 Units

Capstone course designed to integrate biblical, theological, spiritual formation, leadership, and ministry studies completed in the Master of Arts in Christian Ministries. Students complete either an integrative research paper or an applied ministry project that demonstrates synthesis of program learning outcomes and capacity for reflective Christian ministry practice. The course emphasizes theological integration, critical analysis, and contextual application appropriate to the student's vocational ministry setting. Prerequisite MCM 809.
