

MASTER OF ARTS IN CHAPLAINCY AND MINISTRY CARE (MA IN CMC)

MA in CMC Purpose

The Master of Arts in Chaplaincy and Ministry Care (MA in CMC) is designed to develop pastoral and spiritual life counseling skills. This degree has three prime applications. First, as a stand-alone degree, it offers excellent preparation for those who will serve in local churches in a direct helping ministry. Second, the MA in CMC combines easily with additional theological coursework for those who desire to serve in the role of chaplain (i.e. spiritual care provider) in ministry, healthcare, first-responder, church or business organization. Third, this is an ideal supplement to a standard MDiv when chaplaincy in the US military is the objective. (The MA in CMC replaces our former Master of Arts in Counseling Ministry.)

The emphasis in the MA in CMC is on direct, interpersonal communication and face-to-face engagement with those seeking spiritual care. The variety of counseling training options available at Trinity requires careful assessment prior to beginning a program of study. In addition to the MA in CMC, students will also want to consider the Master of Arts in Mental Health Counseling (MA in MHC). The admissions staff can provide detailed information on these programs to help students select the one most appropriate for their career path. The MA in CMC degree recipient is *not* eligible for a license as a mental health counselor. Credentials as a professional chaplain are obtainable with this degree as a foundation (i.e. Association of Professional Chaplains). Board certification with the Association of Professional Chaplains requires 72 hours from a graduate theological institution and is feasible by combining the MA in CMC degree with further theological coursework (i.e. MA/Theological Studies or MDiv). For board certification the graduate will need to secure three additional units of Clinical Pastoral Education (CPE) and obtain formal endorsement from your church community or denomination.

For military chaplaincy service, the MDiv degree is the best option. The MA in CMC is an additional degree that offers explicit work in individual/couple's counseling, spiritual formation along with one unit of CPE.

MA in CMC Admission Requirements and Prerequisites

The admission requirements for the MA in CMC are those described in the Admissions section of the catalog and those specified below:

- An undergraduate major that prepares the participant for the MA in CMC program.
- And undergraduate grade point average of 3.0 on a 4.0 scale.
- Scores from the Graduate Record Exam (GRE) or the Miller Analogies Test (MAT) are required.

MA in CMC Concurrent Degree Options

A student may desire to complete a second TEDS degree program with his or her MA in CMC degree, such as a Master of Arts (Theological Studies), Master of Arts (Intercultural Studies), or Master of Divinity. In such cases, an overlap of program requirements up to 50 percent of the shorter degree is permissible. For example, a student combining the MA in CMC and MA/TS degrees could overlap up to 21 semester hours (50 percent of the 42 semester hours required for the MA/TS). Such course work would need to be carefully planned to ensure that the specific program requirements of each program are met. Consult the Degree Combinations section of the Catalog and the Counseling Department program planning guides for details.

MA in CMC Candidacy Requirements
