

MASTER OF ARTS (ACADEMIC DISCIPLINE)

Master of Arts (Academic Disciplines) Program Purpose

The purpose of the Master of Arts degree program is to provide a basic understanding of theological disciplines for further graduate study or for general educational purposes. The concentration nomenclature articulates the specific discipline under study. Achieving specified student learning outcomes in the concentration meet the MA (Academic Disciplines) degree program goals. This MA program is oriented toward general theological studies rather than ministerial leadership, and is academic rather than professional in focus.

Persons desiring an interdisciplinary basic understanding of Christianity should enroll in the Master of Arts (Theological Studies), which draws courses from across the curriculum. Master of Arts (Academic Disciplines) concentrations focus coursework within a particular departmental discipline as noted in the descriptions that follow.

As such, all MA concentrations (with the exception of Theological Studies) are approved for the Bannockburn site, and the concentration core curriculum is available only in Bannockburn; however, some general coursework may be taken at TEDS extension sites or in TEDS Online Distance Education mode if offered. The MA (Theological Studies) is available in full at extension sites. In all cases, the number of online distance courses that can be taken in a program is limited by course availability and the requirement that students must complete the prescribed Residency Requirement.
