

TRINITY EVANGELICAL DIVINITY SCHOOL PROGRAMS

TEDS offers a number of accredited degree programs to enable Christians to pursue God's calling for their lives of ministry. Each program, or group of programs, has specific objectives, and the student should consider these when selecting a program to pursue. The TEDS Program available at Trinity Florida is briefly outlined below. (Note that admission to a particular program at TEDS does not ensure admission to another, if a student should decide to switch programs. Consult an admissions counselor for guidance on the appropriate program to make application.)

Master of Arts (Theological Studies) Program

The MA/TS provides a basic understanding of Christianity for general educational purposes. Trinity's MA/TS draws from the breadth of the curriculum requiring substantive study in biblical, theological, and historical and global areas, combined with a significant number of hours in the student's area of interest. The MA/TS is particularly suited for Christians desiring to better understand God's revelation to humanity in the biblical and theological context of orthodox historic Christianity and who are engaged in non-pastoral vocations or for those seeking a general theological degree to accompany a specialized master's degree. As a seminary degree, its particular focus is to relate theological studies to the work of the church. Program participants may also elect to focus their elective coursework, capstone project, and field education coursework on a particular subject area available in the curriculum or at their particular site.
