- Residency is understood as in-person interaction of instructors and students in locations approved for the offering of a full degree. As such, all MA concentrations (with the exception of Theological Studies) are approved for the Deerfield site, and the concentration core curriculum is available only in Deerfield; however, some general coursework may be taken at TEDS extension sites or in TEDS Online Distance Education mode if offered. The MA (Theological Studies) is available in full at extension sites. In all cases, **the number of online distance that can be taken in a program is limited by course availability and the requirement that students must complete the prescribed program Residency Requirement.**

### **MA/TS Residency Requirement and Program Duration**

The residency requirement for the MA/TS degree is that a minimum of 24 hours must be completed through Trinity course work, with the final 8 hours taken through Trinity. The 24 hours may be completed with a combination of Deerfield and extension site courses; and through **TEDS Online** or independent study courses as arranged with the program advisor.

Note: It is not the design or intent of the MA/TS program to be completed solely in an independent or distant mode. Participants should anticipate spending a majority of their course work in the classroom at a TEDS site, either Deerfield or an extension. Numerous delivery options are available, including summer, modular, weekend, evening, and other class formats. **Online course work is limited by the availability of courses.**
