

THE CHRISTIAN ENGAGEMENT OF CULTURE: TRINITY IN A NUTSHELL

Trinity College, as a Christian liberal arts college, is dedicated to exploring all knowledge and is committed to the fact that all truth is God's truth. In part, this commitment entails engaging the culture and seeking to transform it for Jesus Christ. There is, therefore, an inherent tension between the search for God's truth and the Christian's engagement of culture. Ideas and issues, whether presented by the arts, literature, or sciences, are to be examined and evaluated in light of God's inerrant and authoritative Word. Through this process students may on occasion experience some discomfort as aspects of human fallenness are studied. Students are encouraged to interact with their professors or Student Life personnel when such situations occur.
