

MINISTRY MINOR

The Ministry Minor is designed to inform and train Trinity students for active involvement in the ministry of the local church while preparing for other career distinctives. Students who complete this minor will be equipped for selected ministries in the local church or for entry-level positions with parachurch organizations. A ministry minor requires 18 hours, including 9 hours of required courses and 9 elective hours from Christian Ministries courses.

Students who complete the minor should be able to:

- Demonstrate skills applicable to the varied ministries of the local church
- Engage in practical training and experience that will help in the development of such abilities as administration, counseling, music, and/or teaching
- Evaluate their commitment to and involvement with the local church or its ministries.
