

CROSS-REGISTRATION

Full-time Trinity College students may cross-register for one graduate-level course (up to 4 credit hours) per semester without additional charge. Certain restrictions apply. Please contact the Academic Records office prior to registration for more information or go to the cross-registration form on My.TIU (https://tiu-forms.formstack.com/forms/undergraduate_crossregistration/). The "Cross Registration Form (College into TEDS/TGS)" lists the policies/restrictions and cross-registration instructions.
