

A FIRSTHAND VIEW (CAMPUS VISITS)

Trinity cordially invites you to visit our campus and live a day in the life of a Trinity student. Whether you choose to visit during one of our special visit events or schedule a personalized visit, you will get a firsthand, up-close-and-personal view of life at Trinity. The following information will introduce you to the different opportunities we offer for campus visits.

To set up a visit, fill out the reservation form on our website (<http://www.tiu.edu/visit/>) or in our campus visit brochure, call our office toll-free at 847.317.7000, or e-mail us at visits@tiu.edu.

There are 3 ways to visit: Preview Day (group visit with other students and families), personalized on-campus visit, and virtual visit:

Preview Day Events

Our Preview Days are a great opportunity to learn about Trinity and meet other prospective students and their families. Experience what it's like to be a student on campus:

- Overnight Stay in Residence Halls (optional, availability is dependent on COVID situation)
- Breakfast
- Chapel Experience
- Campus and Residence Hall Tours (visiting the residence halls is dependent on COVID)
- Class Visit
- Lunch in Hawkins Hall
- Interaction with Student Life and faculty

Personalized Visits

If you can't make it to a Preview Day, you can arrange a personalized visit at no cost. Personalized visits are available Monday-Friday. On Mondays, Wednesdays, and Fridays, visitors should expect an optional overnight stay in the dorms (COVID allowing), an informational session with admissions/financial aid, a chapel experience, a campus tour, lunch in Hawkins Hall, either a class visit or a meeting with a faculty member, and the opportunity to meet with a coach or co-curricular director. Please plan your visit with us at least 72 hours in advance by signing up on our website (<http://www.tiu.edu/visit/>).

Our Tuesday and Thursday schedule is shorter. Plan on being on campus either in the morning or in the afternoon. Each visit will include a visit with admissions/financial aid, a campus tour, and a meal in our award winning dining hall. We send each prospective student home with a t-shirt.

Virtual Visits

If you can't make it in person, we encourage you to visit us from a distance. You can sign up for a virtual visit on our website (<http://www.tiu.edu/visit/>). Virtual visits include a short campus tour video, an informational session with admissions, a financial aid session, an opportunity to sit in on a class via Zoom, an invitation to meet with a coach or co-curricular director, and an invitation to meet one on one with a faculty member by Zoom. Yup, we'll even mail you a t-shirt.
